

Please do not take K-love or any other local station in Omaha off the air. I believe K-love should be left on the air because they serve a great purpose in this community. Whether or not you are a believer in Christ, there are people out there who need to hear the word of God, and music is the best way. K-love has affected me so greatly that I believe it can affect others as well. If you take K-love off the air, you are taking away peoples rights to hear about God through music, and that reflects on freedom of speech. Do not take K-love (88.1fm) off the air. Please.
